

Have a **Lenten** practice this year?

Get Out the Vote with **Reclaim Our Vote**

*“Between January 1 and December 7, 2021 at least 19 states passed 34 laws restricting access to voting. More than 440 bills with provisions that restrict voting access have been introduced in 49 states in the 2021 legislative sessions.”* —Brennen Center for Justice

Working with local non-partisan partners across the country,  
**Reclaim Our Vote**

- **defends voting rights** on the local, state and national level
- **educates and mobilizes Black and Brown voters** in voter suppression states to take action and protect their right to vote.

This **Lent** join Lift Every Voice and Vote and Riverside Young Adults writing postcards to voters of color in Alabama, North Carolina, and Georgia.

Handwritten postcards provide information on when and where to vote, and empower forgotten communities to vote their voices.
